

New Member 2012 Complimentary Section Offers

OSB sections provide members with opportunities to develop and improve skills, as well as a forum to communicate and participate in activities with other members who have common interests. Section memberships are for a calendar year, and members may join through October 31st of each year for the remainder of the year.

Many OSB sections offer free membership to new bar members. Complimentary section memberships for 2012 will be available to new members who were admitted to the Oregon State Bar between **10/1/2011 and 10/31/2012** and did not receive any complimentary memberships in 2011. You may return this form via e-mail (see below).
